

DIRECTIONS TO THE DORMITORY

Paveletsky Rail Terminal to the Dormitory on Studencheskaya St. 33/1

At the Paveletsky rail terminal, follow the **M** sign to find the metro station. Information on tickets and fares can be found [here](#). Take the escalator down to the Павелецкая (**Paveletskaya**) metro station on the **green** **М** Замоскворецкая metro line, and then take the stairs in the middle of the platform hall down to the passage to the **Paveletskaya** station on the **brown** **М** Кольцевая (radial) line.

[passage from the green metro line to the brown (radial) line]

At Paveletskaya station on the **brown** radial line take the train heading west to Добрынинская (**Dobryninskaya**) station and go all the way up to the Киевская (**Kievskaya**) station (4th station from Paveletskaya). At Kievskaya station, take the passage stairs up to the **light-blue** **М** Филевская metro line.

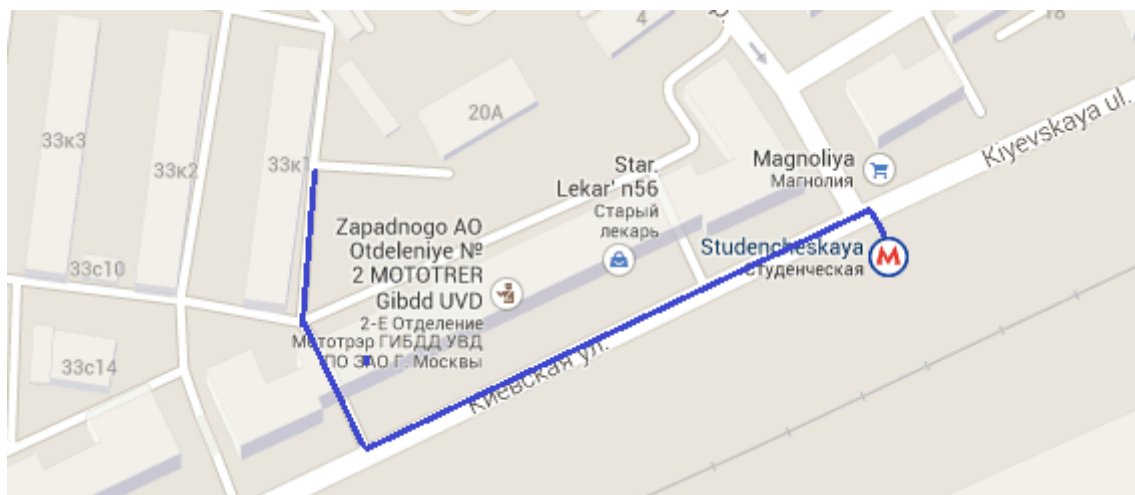

At the Kievskaya station on the **light-blue** line take the train west to Студенческая (**Studencheskaya**) station (next station).

Be careful, there are two directions the trains take from that platform – towards the Кунцевская (**Kuntsevskaya**) station and towards the Международная (**Mezhdunarodnaya**) station. An electronic board specifies the **estimated time** (min.sec) in which the next train is arriving. You need to follow the 'Кунцевская' times on the board.

After you arrived to the Stencheskaya station, at the exit turn left and walk along Kiyevskaya St. 20, then turn and walk through the second arc. The dormitory (building 33/1) will be right in front of you.

Enjoy your stay! ☺
