**are conducting a  
Round Table of Young Scientists  
"The East in a Changing World: Challenges, Solutions, Prospects"**

**31 March 2022**

Moscow, Russia

The topics for the conference traditionally concern the diverse processes taking place in the countries of the East. The conference includes a Round Table in English. This year its central theme was chosen as "**Creative Industries in Asian Countries**" (Section 1). The content of discussions will focus on the inventive component in the development of Eastern Countries, which is viewed through the prism of creative industries.

We also invite participants to make presentations in **special Sections**, which are organized as platforms for exchanging views on broad areas of Oriental studies:

**Section 2.** Innovative and economic processes in Asia;

**Section 3.** International relations and politics in Asia;

**Section 4.** History, society, and culture in the East.

Bachelor, Master and Specialty Students, Postgraduate, Young Scientists, and University Teachers can be participants of the Round Table.

The Board of Judges will select the best speakers who will become First-Place and Prize-Winners of the event. All rapporteurs of the Round Table receive certificates of participation which is taken into account when applying for the Master's Degree Program "Socioeconomic and Political Development of Modern Asia".

**The date of the event:** March 31, 2022
