ITKT Module 1 Bands' Description

Module 1:

Language and background to language learning and teaching

Band 4

The candidate demonstrates comprehensive and accurate knowledge of all areas on the ITKT Module 1 syllabus, i.e. language systems and background to language learning and teaching. He/she shows familiarity with the full range of concepts, terminology, practices and processes tested in ITKT Module 1, which relate to describing language and language skills, factors in the language learning process and the range of methods, tasks and activities available to the language teacher. The candidate is able to relate existing knowledge to both familiar and unfamiliar classroom situations.

Band 3

The candidate generally demonstrates comprehensive and accurate knowledge of areas on the ITKT Module 1 syllabus, i.e. language systems and background to language learning and teaching. He/she shows familiarity with most of the concepts, terminology, practices and processes tested in ITKT Module 1, which relate to describing language and language skills, factors in the language learning process and the range of methods, tasks and activities available to the language teacher. The candidate is generally able to relate existing knowledge to both familiar and unfamiliar classroom situations.

Band 2

The candidate demonstrates basic knowledge of areas on the ITKT Module 1 syllabus, i.e. language systems and background to language learning and teaching. He/she shows familiarity with some of the concepts, terminology, practices and processes tested in ITKT Module 1, which relate to describing language and language skills, factors in the language learning process and the range of methods, tasks and activities available to the language teacher. The candidate is able to relate existing knowledge to familiar classroom situations, and occasionally to unfamiliar ones.

Band 1

The candidate demonstrates restricted knowledge of areas on the ITKT Module 1 syllabus, i.e. language systems and background to language learning and teaching. He/she shows familiarity with a limited range of the concepts, terminology, practices and processes tested in ITKT Module 1, which relate to describing language and language skills, factors in the language learning process and the range of methods, tasks and activities available to the language teacher. The candidate is able to relate existing knowledge to familiar classroom situations only.
