

Criteria for Concluding Agreements at HSE ICEF with Foreign Citizens Admitted to Studies under the Bachelor's Programme 'International programme in economics and finance' in 2024 following Respective Admission Competitions

Pursuant to the Regulations on the provision of discounts on tuition fees for students admitted in 2024 to the International College of Economics and Finance of National Research University Higher School of Economics, in order to be admitted to studies under the Bachelor's programme 'International programme in economics and finance', based on the results of Olympiads, or score the required amount of points based on the results of two entrance tests (Mathematics and English), including having the minimum threshold scores established by the National Research University Higher School of Economics for each educational subject (Mathematics - 60; English - 70).

The level of payment is determined (setting discounts) by a weighted sum of points: when summing up, the score of the entrance test in Mathematics is multiplied by 2, the score of the entrance test in English is multiplied by 1.

Education agreements with those applicants whose results satisfy the following criteria can be concluded within the period until August 25, 2024 (inclusive):

Agreements with a 100% discount (0.00 roubles payable per annum) can be concluded with:

- winners of gold, silver or bronze medals at the International Olympiad for School children in Economics or Mathematics;
